BRAKE KLEEN

BRAKE KLEEN is a high quality, high solvency degreaser that quickly removes, BRAKE FLUID, GREASE, OIL, ROAD GRIME and other foreign material.

FEATURES

Environmentally-desirable
Highly-effective

Fast-evaporating

BENEFITS

Formulated with no chlorinated hydrocarbons.
Washes away grease, oil, brake fluid, and impacted dust without harming metal, rubber, or lining and pads.

Evaporates quickly and completely while leaving no residue

APPLICATIONS

Recommended for all vehicle maintenance and brake repair shops. Use whenever inspecting or replacing brakes, and on brake drums and discs, backing plates, wheel cylinders, pads and linings, master cylinder, return springs, adjusters, and other brake parts.

- Automotive parts stores
- Automotive repair shops
- Motorcycle Dealers
- New & Used car Dealers
- Service Stations
- Passenger Car & Truck Leasing operations

USE INSTRUCTIONS

BRAKE KLEEN is designed to be used undiluted in manual cleaning (sink-on-drum parts washers) and for automated cleaning (immersion/agitation) washers for high volume parts washing.
